"Hi Karin. Thanks so much for making our reception such a rousing success! The day gave us so much happiness and you made the reception go so smoothly and the party totally rocked! Great, great, great music...you two are an awesome team and you worked the crowd so well they all thought we were old friends! Thanks for your wonderful caring greeting--that really started us off on the right note! Loved doing the hokey pokey at the end...thanks for finding it and for you both joining us dancing it! I used to do it with my cousin when she was about the same age as the middle flower girl...what a great ending! Glad you also fit in the line dance for our Texan and re-played the jig for our former (humongously tall) wild Irish rover (he married the Texan in July). We can't thank you enough! Every good wish." Jan, November 2008

"Choosing Wild Nights DJ was easily the best decision we made for our wedding! Karin and Andre did a fantastic job of keeping the party on schedule, while keeping things high energy and fun!" Lacey, October 2008

"Our son's wedding was a year ago. We can't believe what a difference you made at our daughter's wedding. You kept all events moving along, everyone informed and included, and played great music for all to enjoy. Not only did you exceed all of our expectations, I didn't even know that what you provided was achievable. We really appreciated your help the night before when you ran the ceremony rehearsal. I'm so glad we selected you for Felicia's wedding." Lori (Mother of the Bride), July 2007

"I think it was a pretty grand wedding and I couldn't have picked a better place!!! Thanks again for everything. It's a day I will never forget and you all played a big part in that!" Karena & Rossi, August 2006

"Karin of Wild Nights was the highly capable DJ for the ceremony and the reception. We've been fortunate to work with a lot of skilled and helpful DJs over the years, but Karin was one of the best. She went out of her way to make sure we had good audio to go with our tapes, and she impressed us even more by attending the wedding rehearsal the day before, so she could coach Karena, Rossi, and their bridal party on their musical cues. Karin of Wild Nights was the highly capable DJ for the ceremony and the reception. We've been fortunate to work with a lot of skilled and helpful DJs over the years, but Karin was one of the best. She went out of her way to make sure we had good audio to go with our tapes, and she impressed us even more by attending the wedding rehearsal the day before, so she could coach Karena, Rossi, and their bridal party on their musical cues. Karin even set aside a final piece of prelude music as the audio signal for the bridal party to assemble, once everything was ready for the ceremony. That's proactive. Attending our client's wedding rehearsals is standard policy for us. On occasion, we'll see the photographer at the rehearsal, too; but it's a real rarity to see the DJ there. Karin's performance through the entire wedding set her apart as a real professional" Simply Interactive Visual Media Services blog, Aug 2006

"I just got back from Tahoe for a vacation/honeymoon and I just wanted to thank you both so much for helping make our wedding such a great success-- at least I thought it went really well, and like you told me to, I tried to relax and enjoy the party! It was really fun and everyone we talked to really had a great time. I feel I didn't really get to thank you before you left, so I wanted to say THANK YOU for everything!! You did a GREAT Job!! See you at Kennon's and Adelene's wedding, if not sooner" Marcy & John, August 2006

"Juan and I can't thank you enough for the wonderful job you did at our wedding reception. Everyone had a great time. I cannot imagine how our party would have been without the two of you there. I can't tell you how much I appreciate all of your hard work! Thanks again for everything; you guys did an awesome job." Carlye & Juan, May 2006

"I love my DJ. They focus on the music and the crowd by announcing the wedding party arrival, distributing and collecting advice cards for guests to write on, moving smoothly and timely from one thing to the next (speeches, dancing, cake cutting, etc). They even have a screen for a slide show." Julia & Otto, Comments on The Knot Chat Board February 2006

"We can honestly say we've never danced so long or had so much fun than at our own wedding! Wild Nights you did an amazing job energizing the dance floor with a great mix of from Top Hits to our Latin family favorites. We've been to other weddings where the DJ created an awkward or boring setting and guests never got up from their tables. Wild Nights kept the majority of our 200+ guests on the dance floor late into the evening!" Michelle & Ali, June 2002

"We knew that you would be the perfect DJ for us the moment we met you. You have an amazing energy that me and my family couldn't help but be swept into! And we appreciated the way you worked with us to create a night that would fit our personalities, our likes and dislikes, and our spirit...that DEFINITELY helped ease some of our wedding preparation stress! Everyone that attended the wedding still raves about the music, the energy, and the atmosphere. They loved the order of the reception, sequence of events, the way it flowed seamlessly throughout the night, and how it ended with a bang. We know, for a fact, that our wedding would not have been as much of a success if it were not for you. Wild Nights was the perfect addition to our perfect night. We couldn't have asked for anything more."

"Hi Karin, thank you for every thing. I was thinking of you last night around 2:00 A.M and what a great job you did. We enjoyed every moment of our day. We will definitely hire you again, I'll be in touch." Anna, **20th Anniversary/Wedding Vows Renewal**, October 2008

"What a fantastic pair of K.J.s (Karaoke D.J.s)! Karin and Dre of Wild Nights made my "Karaoke for a Cure" **fundraising event** a huge success. From the beginning, Karin was a pleasure to work with when planning the event. Her energy was contagious, and she had many ideas to add from her professional DJ experience. I ended my meeting with her inspired and excited about my event. The night of the Contest, Karin's enthusiasm got the audience active and involved immediately. Both Dre and Karin themselves even entered the contest to help raise money! While Karin pumped up the audience and acted as back-up singer and dancer for the contestants, Dre manned the music. The two were nothing less than professional, and worked together flawlessly. Wild Nights helped me to meet and greatly exceed my fundraising goal. I highly recommend their services and hope to work with them again in the future!" Becky, Leukemia & Lymphoma Society's Team in Training, September 2008

"I don't normally put so many 'greats' on a survey, but Dre and Wild Nights definitely played a huge part of the memorability of Chloe's sweet 16 birthday. A few of the kids said 'it was the coolest party they'd ever been to!' thanks again!" Terri, **Sweet 16 Party**, August 2008

"If you ever need a reference, please feel free to give my name, just let me know. You both did a fabulous job. Everyone loved the music, the attention you gave Norma and the song that was sang to her (great voice)." Dawn, **80th Birthday**, August 2008

"The music was great. You played everything we liked and did everything we requested. I would definitely use you again in the future. You were so friendly, it was like you were a part of the party. Lisa, **40th Birthday**, August 2008

"From the bottom of my heart, the heart of my 100 year old Grandfather Victor, and the all the hearts you touched this weekend, I - We, thank you. In all my years of event planning, corporate events, social engagements, I have yet to find a professional such as you. You and your team were beyond impeccable with your seamless execution, coordination and transition from one phase of the festivities to another. You are extremely warm, personable, professional and lively. It came across in all your announcements and introductions. Believe me when I tell you, it was our pleasure to have you be part of the momentous event. On numerous occasions, during the event and afterwards, our guests commented on what a wonderful job you did. I didn't expect less. Even before the event took place, you paid careful attention to "our vision" for the event and exact music requests (and had the most amazing ideas for our theme). You went as far as to buy music requested and went even further to carefully suggest ideas to make our party - an event. (The Birthday greetings from our President Bush and Gov. Arnold Schwarzenegger.) Hats off to you Karin, a true professional and absolute delight to work with. Anyone reading this. . . don't think twice!!! If you're lucky enough to have Karin at Wild Nights handle your event, consider yourself in the best hands and completely taken care of Karin, you are simply fabulous and simply the best!!! I will sing your praises, as I should. You deserve it!! Warm regards, Sofia, **100th Birthday**, July 2007

"Wild Nights and Karin worked with us for our year end recognition event. She was so collaborative in working with me to set up additional support to our basic 'karaoke' party. Wild Nights has a knack for hearing what you need, proposing what they think would be best and working with you to create exactly what you want. They are a great way to encourage everyone to let their hair down, have a great time and really revel in their team's accomplishments. From how your employees respond – you also get an idea of who they are as people. While work will always be there come Monday morning – the memories of a party where Wild Nights was your DJ will last. I am still getting calls to say "Thank You" and the fun that was had by all over six months ago. If you want something fun, energetic, relaxed and dedicated – Wild Nights is your provider of choice." "Thank you and Dre so much for adding just the right "Zip" to our corporate merger party at the Sofitel last night! You guys were a hit! I had several people come up and ask me, "where did you FIND them?! They're fabulous!" The Karaoke was a perfect way to get the two groups to mingle and socialize. "Dearest Karin. Thank you for putting on such a fantastic show last Friday. My colleagues had a fabulous time! We talked about it over lunch yesterday, and they can't stop yapping about how much fun they had. A few of them have never karaoked before so this was a pleasant experience for them. The unexpected surprise was the fundraiser for the leukemia cancer society. I was glad we were all there to help raise money for a good cause! It made everyone feel good. We all left El Toritos feeling giddy and happy. I was giddy, but the others were tipsy from too many margaritas & beers. You and Andre were fabulous! Thanks again. p.s. I need to get some extra business cards from you to distribute." Michelle, Karaoke Show Attendee: September 2008

"Thanks again Karin! I got so many complements on how fantastic the night was! Many of my teammates were jealous that I had such a fantastic (and successful!) fundraising experience! Attached is a recommendation for Wild Nights. Good Luck with future fundraising events, and I hope to send some business your way! I look forward to coming out for Karaoke and drinks again. Thank you, again." Becky, Karaoke Show Attendee: September 2008

Aubrey, Karaoke Show Attendee: July 2004
